2010 CHFT Diversity Scholarship Application

CHFT recognizes that the strength of its membership is in the many cultures and identities represented within its co-ops. CHFT encourages applications from these diverse communities.

Our Goal

The purpose of the CHFT Diversity Scholarship is to recognize people living in co-ops who are actively promoting diversity through work within their community. We want to help them with their post-secondary education by providing them with award money, credit counseling and employment services.

The Scholarships

This year we have 10 scholarships available. You could be eligible for scholarships in four different categories.

We will award scholarships to students graduating from high school and entering college or university. We also offer scholarships for students who are currently enrolled in college or university or are returning to college or university after a break.

We will also be awarding the *Dexter Johnston Scholarship*. This scholarship recognizes a young person who has shown exceptional leadership in their school and community.

This year for the first time we will award the *Randy Padmore Scholarship*. This scholarship recognizes an individual who takes an active role in mentoring young people.

We will also be awarding the *Success Becomes You Scholarship*. This scholarship recognizes people who are determined to succeed at the post-secondary level or in a skilled trade and who did not have the opportunity to finish high school due to family, financial or other circumstances.
