ARTHUR RANDOLPH PADMORE

June 12th, 1957 to May 22nd, 2009

“Randy”

***Randy Padmore** was among the first residents of the Alexandra Park community, and spent his lifetime giving back to the neighbourhood that gave so much to him. Between Ryerson Public School and St. Christopher House, Randy became involved in neighbourhood sports such as basketball and lacrosse. Randy was more than just a familiar face in the neighbourhood – he was an unmistakable presence! From Kensington Market to Queen Street West, his unique involvement with the people was a significant contribution to all. His passion and excellent work with the youth and families of the Atkinson Housing Co-op and the Alexandra Park neighbourhood re-shaped a community in a way that only Randy could.*
