

Toronto needs a fair tax plan

Support the City of Toronto Fair Tax Plan

Attend the Toronto City Council Meeting on
Monday, October 22 at 8:45 a.m.

On Monday, October 22 City Council will vote on two new taxes – the Land Transfer Tax and a Personal Vehicle Registration Fee. Together, these taxes would raise about \$360 million per year.

If these new taxes do not pass, the City will need to impose a large increase in property taxes. This increase would hurt renters, people on fixed incomes who own their homes and co-op members. Many co-ops would face an increase of tens of thousands of dollars in operating costs to cover the larger tax bill.

Tell City Council that you support using these new taxes to raise money for the city instead of big increases to property taxes. Write or e-mail your city councillor. Plan to attend the City Council meeting on October 22. Mayor David Miller will greet co-op members outside of City Hall at 8:45 a.m.
